

**Slow**  
**words and music**  
**Vin Distefano**

I can't tell what's right from what's wrong

And I can't hold out very much longer

I want you tonite, holding you tight in my arms

Hmm, my body's aching

Look at me I can't stop shaking

I want you, holding you tight in my arms

So, tonite, we'll go, Oh So Slow

Baby, babe oh please say,

Ahhh, just one more time

(repeat)

We can't hide our hearts anymore

When they're near we can't ignore

You're my woman and I'm your man

I'm gonna love you every way we can

Hmm, I promise you

No one will love you like I do

All, nite, holding you tight in my arms

So, tonite we'll go, Oh So Slow

Baby, babe, oh please say

Ahhh, just one more time

(repeat)

Muahhh!!! XOXO
